[A Look Inside Mixed Methods Analysis With Nvivo For Mac](#)

I dedicate this book to Karen Druwe Creswell. She is the inspiration for my writing and my life. Because of her—as wife, supporter, and detailed and careful editor—I am able to work long hours, keep the home fires burning, and be a productive researcher and book writer. Thank you, Karen, from the bottom of my heart for being there for me through all of the editions of this book.
